The Garden Club of Coral Springs - 12167 N. W. 9th Place – Coral Springs, FL 33071

The Garden Club of Coral Springs, Inc. is an all volunteer, nonprofit organization with an IRS designation of 501C (3). We are educational, environmental and community involved. Our main focus is educating our youth and our peers about organic food and recyclable materials, native and drought tolerant plants and the pure joy of gardening. Each year we present scholarships to deserving High school Graduates majoring in environmental science/horticulture.

Donations are always greatly appreciated.

Marcy A DiMare, President
